# GET TO KNOW TCK

Based in North Carolina, Twin City Knitting (TCK) has a rich history of producing premium socks. Established in 1961, we began knitting performance team athletic socks and quickly established ourselves as the industry leader in the team market. As the sock market expanded and evolved, TCK has also expanded and evolved. We utilized our strong domestic manufacturing toward servicing the high demand for custom socks both on and off the field.

One natural progression was expansion into the collegiate bookstore market. To ensure we fully serviced this market, we also expanded our product line to include outdoor, dress, sublimation, ladies, and infant/toddler. With low minimums, quick turns, and premium product, we have become a leading provider in this category. Today, you can find TCK-branded product in over 600 collegiate bookstores.

Now, we are ready to serve you! You will not find another custom sock manufacturer that offers the "complete package." From athlete-to-fan, from board room-to-outdoor enthusiast, and from the young to the young-at-heart; we have the socks for every person and every occasion.
